

Team Minot,

Operation WARMHEART...

The holiday season is normally reserved for time spent with family, watching football, and eating way too much. But there are families here, in our small community who have trouble getting ends to meet, food on the table, or presents under the tree.

Operation WARMHEART is a year-round program run by the Minot AFB First Sergeants Council dedicated to assist Airmen and their families. The First Sergeants maintain a food pantry on base and donate thousands of pounds of non-perishable food yearly.

Our team, assisted by local youth groups will be having our annual Thanksgiving food drive at the Commissary the 7th, 8th, 14th, and 15th of November. Additionally, we'll be collecting food items at the base theater during movie times. Bring in a non-perishable food item and receive one dollar off any combo meal.

Minot AFB Angel Tree program also runs during the holiday season. Angel Tree is designed to assist parents with providing an enriched holiday experience for their children. The tree will be located in the BX beginning 16 November.

Operation WARMHEART and the Angel Tree programs are way that we give back to our own.

For further information, please contact any First Sergeant.
