

Speak to a Nurse about your health concerns:

Call

701-723-5633

- Nurse advice service is not for medication renewals, test results, or other communication with your PCM team; please contact your assigned clinic for these needs.
- If the nurse advice service recommends ER or urgent care, then the authorization will be entered by the MTF when the triage report is faxed to them.

The 5th MDG is closed every 2nd Thursday afternoon of the month for mandatory training, as well as on ACC family days, approved training days, and holidays.
