This form DOES NOT register your child for **before or after school care** with the **Child and Youth Programs**. This form directs the school bus contractor (Yellowfin Bus Transportation) to coordinate bus pick-up and drop-off locations based on prior arrangements made by the parent/guardian. The bus schedule and stops are established in accordance with a contract through Minot Air Force Base. This includes the specifics of school times and bus stop spacing. Bus routes are determined by provisions in this contract to meet the needs of the Minot Air Force Base community.

Behavior Agreement: I, the student sponsor, acknowledge that I have or will review the School Bus Behavior Standards available on this form. I have explained school bus behavior standards and the necessity of these standards to my student. I explained that I expect school bus behavior standards to be followed. Disciplinary action may be taken for misbehavior which could include suspension or revocation of bus rider privileges. I understand that a digital video recorder device with a camera and microphone is installed on all school buses to aid in the safe transportation of student passengers. I also understand and agree to reimburse the bus contractor for the cost incurred by the contractor to repair damage caused by my student's misconduct to the school bus.

Registration: Winter bus service runs 2 Nov 26 – 2 Apr 27. All students must have a signed Winter Bus Transportation Agreement on file with the bus contractor prior to the first bus ride. Late submissions may be processed but are not guaranteed acceptance; those students will not have bus access, unless otherwise determined.

Please send your completed forms to Yellowfin.Minot@bragglines.com.
